

ReGeneration Schools

July 26, 2021

Dear ReGeneration Bond Hill Families,

We hope you are having a wonderful summer and enjoying some downtime. Our teachers are already hard at work preparing lessons and classroom spaces for the 2021-22 school year. We are all so excited to welcome our scholars and families back to school.

With the Family Orientation and Student Induction just around the corner, we wanted to update you on important health and safety protocols as well as the schedule for the first weeks of school.

Back-to-School Dates

We begin our back-to-school schedule with Family Orientation on August 16th and 17th. Below, you will find our entire schedule for August.

School Transportation

We will continue to provide free bus transportation for all students who live in Cincinnati City boundaries. To keep our transportation system working smoothly and safely, we have identified several key protocols.

Transportation Protocol	What This Means for You
Drop-off/ & Pick-up Times	Children should be dropped off at school between 7:15 and 7:45 am. Pick-up begins at 3:45 pm and after buses depart. We ask parents or guardians picking up students to stay in their cars until 3:45 pm.

Drop-off & Pick-up Locations	We have enclosed a detailed map with this letter that shows drop-off and pick-up locations for all students.
Engaging with Teachers	During drop-off and dismissal, teachers are focused on student safety and will not be able to meet at that time to discuss your child. Please contact your child's teacher by phone or email to schedule a meeting.
Mask Requirement	All adults are required to wear a mask If they get out of their cars at drop-off or pick-up. This is to protect everyone's health.
Changing Method of Transportation	If you need to change your transportation from bus to car pick-up, or vice versa, please call the school at 513-216-9310.

Health & Safety Expectations

To help ensure our scholars and staff remain safe and healthy, we are taking the following steps to prevent the spread of COVID-19. All of the protocols follow the most up-to-date guidance from the CDC and the Ohio Department of Education.

Safety Protocol	What This Means for You
Face Masks	All staff, students, and visitors will wear a CDC-approved face mask that covers their mouth and nose at all times other than during meals and snacks.
Testing	We will require daily temperature checks along with frequent testing, contact tracing, and, when necessary, quarantining.
Physical Distancing	Students will keep a 3-foot distance in classrooms and shared indoor spaces.
Handwashing	Students and staff will continue frequent and thorough handwashing and personal hygiene.
Ventilation and Surface Cleaning	We will continue to follow CDC guidelines for enhanced school ventilation, disinfecting of surfaces, and deep cleanings at night.

If you have additional questions about the schedule, or the safety and transportation protocols please contact Carissa Derriso at cderisso@regenbondhill.org and 513-216-9310.

We appreciate your cooperation and flexibility as we continue to monitor changing health guidelines and adjust our policies accordingly. We look forward to seeing you soon and thank you in advance for following these guidelines to help keep our school community safe.

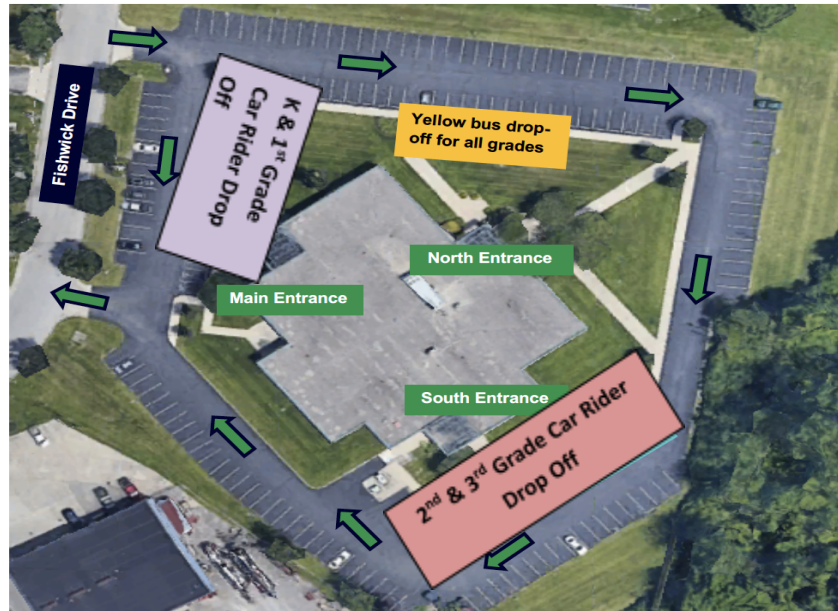

Sincerely,
